Introduction

1. This chapter explains the supplementary Grants for Dependants available to full-time students under part 5 of the Regulations (which covers grant for living and other costs). Unless otherwise stated, the Regulations referred to throughout this chapter are the Education (Student Support) (Wales) Regulations 2013. Local authorities (LAs) should also refer to section 16 of the LA Portal system user guide 'Managing Non-Loan Product Payments'.
2. The grants for living and other costs are:
 - Grants for dependants, consisting of Adult Dependants' Grant (ADG) (regulation 31), Childcare Grant (CCG) (regulation 32) and the Parents' Learning Allowance (PLA) (regulation 33);
 - Disabled Students' Allowances (regulation 29) which are covered in the separate 'Disabled Students' Allowances' guidance chapter; and
 - Welsh Government Learning Grant (regulations 41- 44), Special Support Grant (regulations 45- 48), and Travel Grant (regulations 37-38). Guidance on these grants is contained in the 'Assessing Financial Entitlement' guidance.

Policy

General eligibility

3. The general eligibility criteria for full-time student support, including grants for living and other costs, can be found in the 'Assessing Eligibility' guidance chapter.
4. Students who are personally eligible for student support under paragraph 9 of Schedule 1 (i.e. nationals of member states of the European Union) but not under any other paragraph of that Schedule, are not eligible for grants for living and other costs.
5. The only grants for living and other costs to which previous study rules apply are the Welsh Government Learning Grant and Special Support Grant (see the 'Assessing Financial Entitlement' guidance chapter).
6. Grants for living and other costs are available to eligible students regardless of age.
7. A student can only receive support for a designated course. Where the eligible course does not appear on the HEI database the LA/SFW will not be able to fully process the application.
8. Students are eligible for grants for living and other costs whilst attending an overseas institution as part of their UK course, whether obligatory or optional (but see paragraphs 54 and 88 in respect of the Childcare Grant).
9. For full-time students who are eligible prisoners and commence their course on or after 1 September 2012, support is only available for tuition fees. No maintenance support (including targeted support) will be available to any prisoner (including an eligible prisoner) who starts a course on or after 1 September 2012.

10. No Disabled Students' Allowances (DSAs) (including DSAs for postgraduate courses) will be available to any prisoner (including an eligible prisoner) who starts a course on or after 1 September 2012. The responsibility to provide support for disabled prisoners lies with the Prison Service.
11. Full time students who are prisoners and start a course prior to 1 September 2012 are not generally eligible for grants for living and other costs under part 5 of the regulations except DSAs (regulation 70(7) & (8)). Students who have spent part of the academic year in prison are potentially eligible for additional grants for living and other costs calculated on a pro-rata basis. In exceptional circumstances LAs/SFW may use their discretion to award, in addition to DSAs, other grants under Part 5 in respect of a period that the student is a prisoner. This might apply where stopping or reducing grants for living and other costs for periods spent in prison would cause the student financial hardship and prevent them from continuing their course. Such instances are however expected to be very few.

Means tested NHS bursaries

12. Under regulation 28(3)(a), students are not eligible to apply for grants for living and other costs for any academic year during which they are eligible for NHS means tested bursaries or similar awards bestowed under section 63 of the Health Services and Public Health Act 1968, article 44 of the Health and Personal Social Services (Northern Ireland) Order 1972 or sections 73(f) and 74(1) of the Education (Scotland) Act 1980 (if the latter is granted in respect of a course leading to a qualification in a healthcare profession other than as a medical doctor or a dentist). Students who are eligible for an NHS Bursary should be directed to the NHS Student Bursaries website at www.nhsbsa.nhs.uk for information about the financial support available through the NHS Bursary Scheme. Or they can phone the NHS Student Bursaries Helpline on 0845 358 6655.

ITT courses

13. Students who are continuing in 2014/15 on an ITT course which began before 1 September 2010 and which:
 - is at least one academic year in length; and
 - involves periods of full-time attendance (including teaching practice) that are in aggregate six weeks or more in the academic year;are potentially eligible for grants for living and other costs. However, special rules apply to the Welsh Government Learning Grant and Special Support Grant (see the 'Assessing Financial Entitlement' guidance chapter).
14. Students who are continuing in 2014/15 on an ITT course which began before 1 September 2010 and which:
 - is least one academic year in length; and
 - involves periods of full-time attendance (including teaching practice) that are in aggregate less than six weeks in the academic year;are not eligible for grants for living and other costs with the exception of DSAs. There are separate rates of DSAs for such students. Students who do not qualify for a grant for living and other costs are eligible for a reduced rate maintenance loan which is not subject to income assessment.

15. Where a student is continuing in 2014/15 on an ITT course which begins on or after 1st September 2010, the student support package available will depend on whether the course is either full-time or part-time. Designated full-time first degree and postgraduate ITT courses of at least one academic year in length will attract the same support package as full-time non-ITT first degree courses. Designated part-time first degree and postgraduate ITT courses of at least one academic year in length will attract the same part-time support package of fee grant or fee loan, course grant, targeted support (Adult Dependants' Grant, Childcare Grant and Parents' Learning Allowance) and DSAs as part-time non-ITT first degree courses.

'2010 cohort' students

16. A '2010 cohort' student is an eligible student who begins their present course on or after 1 September 2010 and before 1 September 2011 other than:
- a 2010 gap year student
 - an eligible student who started the present course on or after 1 September 2010 where that course is an end-on course following on from a course that the student began—
 - before 1 September 2010; or
 - before 1 September 2011 and in relation to which the student is a 2010 gap year student
 - an eligible student who started the present course on or after 1 September 2010 having had his or her status as an eligible student transferred to that course as a result of one or more transfers of that status by the Welsh Ministers pursuant to Regulations made under section 22 of the Act from a designated course which he or she began—
 - before 1 September 2010; or
 - before 1 September 2011 and in relation to which the student is a 2010 gap year student

'2011 cohort' students

17. A '2011 cohort' student is an eligible student who begins their present course on or after 1 September 2011 other than:
- a 2011 gap year student
 - an eligible student who started the present course on or after 1 September 2011 where that course is an end-on course following on from a course that the student began—
 - before 1 September 2011; or
 - before 1 September 2012 and in relation to which the student is a 2011 gap year student
 - an eligible student who started the present course on or after 1 September 2011 having had his or her status as an eligible student transferred to that course as a result of one or more transfers of that status by the Welsh Ministers pursuant to Regulations made under section 22 of the Act from a designated course which the student began—

- before 1 September 2011; or
- before 1 September 2012 and in relation to which the student is a 2010 gap year student

'2012 cohort' students

18. A '2012 cohort' student is an eligible student who starts a course on or after 1 September 2012 (regardless of any previous study the student has). The following points should be noted
- New entrants in 2012/13 whose course began in August 2012 are '2011 cohort' students.
 - There is no gap year protection for students who were offered places at HEIs in AY 2011/12 who deferred entry until 1 September 2012 or later. Those students are classed as '2012 cohort' students.
 - Welsh domiciled students who are continuing on a course which started before 1 September 2012 and who do not change their mode of study (for example from full-time to part-time) on or after 1 September 2012 will remain eligible for the package of support available to their original cohort group as defined above. Those who do change their mode of study on or after 1 September 2012 will then be assessed as '2012 cohort' students.

Sandwich courses and work placements

19. Students on part-year paid or unpaid placements where the periods of full-time study in the academic year are 10 weeks or more in aggregate are eligible to receive grants for living and other costs, subject to income assessment.
20. Under regulation 28(7) students are not eligible for grants for living costs in any academic year of a sandwich course in which the periods of full-time study are in aggregate less than 10 weeks and where the student is on a paid placement, or an unpaid placement of a type specified in regulation 28(8). Students who do not qualify for grants for living and other costs under regulation 28(7) are eligible for the reduced rate maintenance loan which is not subject to income assessment (regulation 56).
21. Under regulation 28(8) students undertaking the following types of unpaid work experience in the public or voluntary sectors are potentially eligible for grants for living and other costs (even where the periods of full time-study in the academic year are less than 10 weeks in aggregate):
- unpaid service in a hospital or in a public health laboratory in the UK or with a primary care trust in the UK;
 - unpaid service with a local authority in the UK acting in the exercise of their functions relating to health, welfare or the care of children and young persons or with a voluntary organisation providing facilities or carrying out activities of a like nature in the UK;
 - unpaid service in the prison or probation and aftercare service in the UK;

- unpaid research in an institution in the UK or, in the case of a student attending an overseas institution as a necessary part of their course, in an overseas institution. (In the Department's view research in an institution must involve some activity within the institution, but not all of the work or activity must take place within the institution's physical bounds. Some research work might require a student to undertake some research away from their institution but as long as their base is established at the institution, such work can be regarded as part of their work in the institution.)
- unpaid service with a Health Authority or a Strategic Health Authority, a Health Board or a Special Health Board in Scotland, or a Health and Social Services Board in Northern Ireland.

Students who become eligible during the course

22. Under regulation 28(12) & (13), a student may qualify for grants for living and other costs from, and including, the academic year during which:
- the student's course becomes designated;
 - the student, their spouse, civil partner or parent is recognised as a refugee or becomes a person with leave to enter or remain;
 - the state of which the student is a national accedes to the European Union where the student has been ordinarily resident in the United Kingdom and Islands throughout the three-year period immediately preceding the first day of the first academic year of the course;
 - the student acquires the right of permanent residence;
 - the student's Turkish parent becomes a worker;
 - the student or their relevant family member becomes a person described in paragraph 6 of Schedule 1;
 - the student's parent becomes a Swiss national.
23. In these circumstances the student will be potentially eligible for:
- Welsh Government Learning Grant or Special Support Grant in any subsequent years of the course (and in the quarters following the acquisition of eligibility in the year the status was acquired, if the status was acquired within three months of the first day of the academic year);
 - Childcare Grant, Grants for Travel and DSAs in any subsequent years of the course (and in all quarters following the acquisition of eligibility in the year the status was acquired).
 - Loans for living costs, Adult Dependants' Grant and Parents' Learning Allowance in any subsequent years of the course (and in the quarters following the acquisition of eligibility in the year the status was acquired, except the quarter in which the longest vacation falls).

24. However, such a student is not eligible retrospectively. That is, a student is not eligible for grants for living and other costs for quarters falling on or **before** the date eligibility is acquired due to an event listed above or for academic years of the course falling **before** the academic year in which they become eligible due to an event listed above. Also refer to the 'Assessing Eligibility' guidance chapter.

Eligibility for grants for living and other costs where students withdraw or suspend study

25. Regulation 70(1), (11) and (13) provides LAs/SFW with the discretion to pay grants for living and other costs until the end of the term in which the student has withdrawn from a course. Regulation 70(14) provides LAs/SFW with the discretion to pay grants for living and other costs if a student is absent from their course. Further guidance on exercising this discretion is contained in the 'Change of circumstances' guidance chapter.
26. If a student has withdrawn from their course due to serving a prison sentence, SLC should be advised of the withdrawal assessment to allow for rescheduling of financial support and recovery of any overpayment.

Grants for dependants

27. The grants for dependants in 2014/15 under regulations 31-33 are:
- Adult Dependants' Grant;
 - Childcare Grant; and
 - Parents' Learning Allowance.

Definitions for dependants' grants

28. For the purposes of grants for dependants under regulations 31-33, the following definitions apply (regulation 35(1)):
- 'dependant' means, in relation to an eligible student, the student's partner, student's dependent child or an adult dependant, who in each case is not an eligible student and does not hold a statutory award;
 - 'partner' means any of the following:
 - i. the spouse or civil partner of an eligible student;
 - ii. the co-habiting opposite sex partner for a student who is aged 25 or over on the first day of the relevant year of a course that began on or after 1 September 2000 (excluding courses taken end-on to a course that started before 1 September 2000);
 - iii. the co-habiting same sex partner for a student who is aged 25 or over on the first day of the relevant year of a course that began on or after 1 September 2005 (excluding courses taken end-on to a course that started before 1 September 2005).

The definition of a partner does not include a partner of the student where the LA/SFW considers they have separated (in the case of a married student or a student in a civil partnership). This definition also does not include a partner who is ordinarily living outside the United Kingdom and is not maintained by the student.

- 'adult dependant' means, in relation to an eligible student, an adult person who is dependent on the student, other than the student's child, partner (including a spouse or civil partner from whom the LA/SFW considers the student is separated) or former partner;
 - 'child', in relation to an eligible student, includes any child of the student's partner who is dependent on the student and any child for whom the student has parental responsibility and is dependent on the student;
 - 'dependent' means wholly or mainly financially dependent;
 - 'dependent child' means, in relation to an eligible student, a child dependent on the student.
29. A child or adult person can be considered to be 'dependent' on an eligible student if:
- (a) they are wholly or mainly financially dependent on the eligible student alone; or
 - (b) they are wholly or mainly financially dependent on the eligible student and the student's partner together (i.e. where the child or adult person is equally financially dependent on the eligible student and the student's partner who together are providing all or most of his financial support).
30. The definition of 'dependant' means that an eligible student aged under 25 is not eligible for an Adult Dependants' Grant in respect of a co-habiting partner. Since 2005/06, a student's same sex partner has fallen within the definition of a 'partner' rather than adult dependant. Therefore full-time students under 25 with a dependent same sex partner are no longer eligible for a dependants' grant for that partner. This brings the treatment of same sex partners of students aged under 25 into line with opposite sex partners of students under 25 (regulation 35(1)(h)(ii)). The definition of 'dependant' also means that an eligible student will no longer be eligible for an Adult Dependants' Grants in respect of a dependent child or an adult dependant who is also an eligible student or who holds a statutory award (regulation 35(1)(c)).
31. The following table summarises when the cohabiting same sex partner or civil partner of a student is a dependant.

	Students who started their course before September 2005		Students who started their course in September 2005 or after	
	Cohabiting same sex partner (not in a civil partnership)	Civil partner	Cohabiting same sex partner (not in a civil partnership)	Civil Partner
Under 25 years old	X	✓	X	✓
Aged 25 years or over	X	✓	✓	✓

Determining where financial dependence lies

Students aged 25 or over (or under 25 if they are married or in a civil partnership)

32. The dependants' grant means test must be applied in all such cases to determine whether grants are payable.

Students aged under 25 with a child and living with a partner (including a same sex partner)

33. Where a student is under 25 and living with a partner, the partner is not a dependant of the student under regulation 35(1)(h)(iii). Therefore the partner's income should not then be used to assess the grants for dependants under regulation 31. However, the income of the partner of a student under 25 should be considered for the purpose of deciding whether a child is mainly financially dependent on the student or the student and the student's partner together. This should be decided by comparing the estimated income that a student might have – maximum potential student support for living costs: maintenance loan, Adult Dependants' Grant, Parents' Learning Allowance, the maximum applicable rate of Childcare Grant, plus any income from other sources – with the net income of the student's partner, except for any child tax credit. Any child tax credit received either by the student or the student's partner should be added to the student's estimated income.

Adult Dependants' Grant (regulation 31)

34. In 2014/15, the amount of Adult Dependants' Grant (ADG) under regulation 31 is **£2,732** for one only of:
- an eligible student's partner (as defined in paragraph 28); or
 - an adult dependant of the student whose net income does not exceed **£3,923**.
35. The residual income of a partner (as determined by para 5 of Schedule 5 of the Regulations), whatever the amount, is always included in the dependants' grant income assessment because there is no maximum amount specified in regulation 31(2)(a) for a partner. A student is not eligible for a grant in respect of an adult dependant whose net income exceeds the maximum amount applicable and such dependants are not included in the dependants' grant income assessment. The income of a partner, a dependent child or an adult dependant, any of whom is also an eligible student or who holds a statutory award, is not included in the income assessment.
36. There is no requirement for a student to apply separately for the ADG. Provided they have indicated on the online application or on the PN1 or PR1 forms that they have an adult dependant, there is no requirement for them to make any separate request to receive this grant.

Student's partner is an eligible student or holds a statutory award (Regulation 34(8))

37. An eligible student may not claim ADG in respect of their partner, or for another adult dependant, if that partner or adult dependant is also an eligible student and holds a statutory award. An eligible student who cannot apply for the ADG in respect of their partner because the partner is also an eligible student and holds a statutory award can still apply for ADG in respect of

another adult dependant instead. Where an amount of ADG is being calculated in respect of another adult dependant, it is to be reduced by one half if the eligible student's partner is also an eligible student and holds a statutory award, and account is taken of the partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which that partner is entitled under his or her statutory award.

Dependant ordinarily resident outside the United Kingdom

38. Where a student maintains a dependant who is ordinarily resident outside the United Kingdom, the LA/SFW has discretion to determine the basic amount of ADG payable, if any, to a maximum of £2,732 (regulation 31(3)(b)).

Childcare Grant (regulation 32)

39. The Childcare Grant broadly mirrors the childcare element of the Working Tax Credit (WTC) / Universal Credit (UC) administered by HM Revenue & Customs. The Childcare Grant is available to students with dependent children (subject to income assessment) who incur "prescribed childcare charges". Prescribed childcare charges means childcare charges of a description prescribed for the purposes of section 12 of the Tax Credits Act 2002. In other words a charge incurred is a prescribed childcare charge if it is one that potentially attracts the childcare element of WTC / UC.
40. The childcare element of the WTC / UC is payable in respect of registered or approved childcare. The types of childcare that can potentially attract the childcare element of WTC / UC, and therefore also potentially attract the Childcare Grant, are set out at paragraphs 47 - 55.
41. The Childcare Grant also broadly mirrors the childcare element of WTC / UC in circumstances where the registered or approved childcare provider is a relative of the child or the childcare is considered to be compulsory education (see paragraphs 56 - 58).
42. Students who are potentially eligible for the Childcare Grant are:
- lone parents;
 - student couples with children; and
 - student parents with partners, including partners with income. (Entitlement is subject to the level of income and the amount of childcare costs.)
43. The Childcare Grant is available in respect of an academic year in which the student incurs prescribed childcare charges for:
- a dependent child who is under the age of 15 immediately before the beginning of the academic year; including a dependent child who is born after the beginning of the academic year; or
 - a dependent child who has special educational needs within the meaning of section 312 of the Education Act 1996 and is under the age of 17 immediately before the beginning of the academic year, including a dependent child who is born after the beginning of the academic year.
44. A child with special educational needs within the meaning of the Education Act 1996 is a child who has a learning difficulty which calls for special educational provision to be made for them. A learning difficulty is defined in the Act as a significantly greater difficulty in learning than the majority of

children of their age or a disability that prevents or hinders a child from making use of educational facilities of a kind generally provided for children of their age in schools within the LA's area.

45. The definition of 'dependant' given at paragraph 28 (regulation 35(1)) also applies to the Childcare Grant.
46. The Childcare Grant is not counted as income by Jobcentre Plus or local authority Housing Benefit sections, when assessing a student's entitlement to income related benefits.

Qualifying childcare in Wales

47. A Welsh domiciled student who incurs charges for the following types of childcare in Wales is potentially eligible for the Childcare Grant.
 - Care provided by Registered childcare including childminders, nurseries, playgroups, children's centres and holiday play schemes for children aged under eight. Only childcare for children under eight has to be registered, but children aged eight and over who are in childcare that is also for children under eight years are also eligible for the grant because they are attending registered childcare. Nurseries and play schemes registered by the National Assembly for Wales through the Care and Social Services Inspectorate for Wales (CSSIW). A registration number will be supplied and the carer is required to display their registration certificate on the premises.
 - Out-of-school hours clubs provided by a school on school premises or by a local authority. Some schools provide day care for very young children and for children outside normal school hours. A Childcare Grant may be paid for this type of childcare as long as the school is registered as a day care provider by CSSIW.
 - Childcare provided in the child's own home by a domiciliary care worker or nurse from an agency registered by the Care and Social Services Inspectorate for Wales.
 - Care provided by an approved foster carer (the care must be for a child who is not being fostered by the foster carer).
 - Childcare provided in the child's own home or if several children are being looked after in one of the children's home by a carer approved under the Approval of Child Care Providers (Wales) 2007 scheme.

Qualifying childcare in England

A Welsh domiciled student who incurs charges for the following types of childcare in England is potentially eligible for the Childcare Grant.

Ofsted Registered childcare

48. Childcare providers who care for children aged under eight in England are registered under the Childcare Act 2006. Ofsted operates two registers: the Early Years Register (EYR), which is compulsory for most childcare providers who care for children up to the end of the foundation stage (31 August after the child's fifth birthday); and the General Childcare Register

(GCR), which is compulsory for most childcare providers who care for children from the end of the foundation stage to seven.

49. Childcare providers who care for children aged eight and over, or who provide activity based care, or care in the child's own home for children of any age, **are not required to be registered by Ofsted**. However they are able to apply to be registered on the voluntary part of the General Childcare Register. Childcare offered by a provider on the voluntary part of the General Childcare Register counts as qualifying childcare for the purposes of the Childcare Grant.
50. Registered childcare providers can include registered childminders, nurseries, play groups, children's centres, holiday play schemes, sports, arts or language clubs and nannies. Registration requires providers to demonstrate that the premises, people and provision are all suitable for the delivery of childcare. All childcare providers registered by Ofsted have a registration number and are required to display their registration certificate on the premises.

Additional qualifying childcare in England

51. A student who incurs charges for the following types of childcare in England that are currently eligible for Working Tax Credit (WTC) / Universal Credit (UC) purposes will also potentially be eligible for the Childcare Grant.
 - Childcare that takes place on school premises or on other premises that may be inspected as part of an inspection of a school by OFSTED, or by the equivalent inspection body appointed by the Secretary of State to inspect certain independent schools:
 - Childcare provided for children aged under **five** must be on the Ofsted Early Years Register.
 - Childcare provided for children aged five or over must be out of school hours.
 - If the child's school uses an external childcare provider, they must be on the Ofsted register appropriate to the child's age.
 - Childcare provided in the child's own home by a domiciliary care worker or nurse from an agency "registered" with the Care Quality Commission (under the Domiciliary Care Agencies Regulations 2002).
 - Care provided by an approved foster carer (the care must be for a child who is not being fostered by the foster carer) who is also registered with Ofsted either on the EYR or the GCR (please note 'an approved foster carer' under the Fostering Services Regulations does not replace the requirement for foster carers who look after children, who are not their foster children, to register with Ofsted as a childcare provider on either the EYR or the GCR. This is in line with the tax credits legislation which provides support for childcare costs only in circumstances where the foster carer is registered with Ofsted.

Qualifying childcare in Scotland

52. A Welsh domiciled student who incurs charges for the following type of childcare in Scotland which is currently eligible for WTC / UC purposes, will also potentially be eligible for the Childcare Grant.

- Care provided by childminders, nurseries and play schemes registered by the Scottish Commission for the Regulation of Care.
- Out-of-school hours clubs 'registered' by the Scottish Commission for the Regulation of Care.
- Care provided by an approved foster carer or a kinship carer, but the childcare must be for a child who is not being fostered by the foster carer. The foster carer must be registered with the Scottish Commission for the Regulation of Care as a childminder or a daycare provider.
- Childcare provided in the child's own home by (or introduced through) childcare agencies, including sitter services and nanny agencies registered by the Scottish Commission for the Regulation of Care.

Qualifying childcare in Northern Ireland

53. A Welsh domiciled student who incurs charges for the following type of childcare in Northern Ireland which is currently eligible for WTC / UC purposes, will also potentially be eligible for the Childcare Grant.
- Care provided by childminders, nurseries and play schemes registered by a Local Health and Social Services Trust.
 - Out-of-school hours clubs provided by a school on the school premises or by an Education and Library Board or 'registered' by the Local Health and Social Services Trust.
 - Care provided by an approved foster carer - but the care must be for a child who is not being fostered by the foster carer. The foster carer must be registered with the Local Health and Social Services Trust if the child is under the age of 12, or approved under the Approval of Home Child Care Providers (Northern Ireland) Scheme, if the care is in the child's home and the child is under the age of 16.
 - Childcare provided in the child's own home by a child carer approved under the Approval of Home Child Care Providers (Northern Ireland) 2006 Scheme.

Qualifying childcare outside the United Kingdom

54. Students attending an overseas institution as part of their courses will not generally be eligible for a Childcare Grant to cover childcare costs incurred abroad. The only qualifying overseas childcare providers are those approved under the Ministry of Defence accreditation scheme, which is currently eligible for WTC / UC purposes. The scheme approves providers who care for the children of personnel based overseas..

Where the childcare provider becomes registered or approved

55. Some students may use a childcare provider who is not registered or approved but then becomes registered or approved at some stage during the academic year. In such instances, the Childcare Grant may only be paid from the point at which the provider's application for registration has been successful and their registration or approval confirmed.

Where the registered or approved childcare provider is the student's partner or a relative of the child

56. Childcare charges in respect of which an eligible student may qualify for the Childcare Grant will not include:
- charges incurred in respect of childcare provided by a relative of the child wholly or mainly in the child's home even if the relative is registered or approved;
 - charges incurred in respect of childcare provided by a relative of the child approved under the Approval of Child Care Providers Scheme in Wales (or the Childcare Approval Scheme in England or the Approval of Home Child Care Providers Scheme in Northern Ireland) wholly or mainly in the relative's home where the care is usually provided solely or mainly in respect of one or more children to whom the provider is a parent or relative;
 - charges paid by the student to their partner in respect of childcare for the student's child or a child of their partner even if the partner is registered or approved.

A relative of the child means a parent, grandparent, aunt, uncle, brother or sister whether by blood, half-blood, marriage or affinity. Affinity means a person with a strong relationship to the child, for example someone in a parental position regarding their partner's children and includes step parents.

57. This broadly reflects the childcare element of WTC / UC - that a person who is the parent or relative of a child, or who has parental responsibility for a child, is not generally acting as a 'childminder' when looking after that child. The Childcare Grant is not intended to pay for care that any parent or relative of a child might be expected to provide.

Compulsory education charges

58. Childcare charges in respect of which an eligible student may qualify for the Childcare Grant will not include charges that are considered to be compulsory education charges. The Childcare Grant is not intended to pay for costs related to compulsory education (school fees, for example) which again reflects the WTC / UC position.

Audit of Childcare Grant applications

59. Although there is currently no facility on the system for LAs/SFW to identify a selection of Childcare Grant applications for audit, a sample check of 10-15% of applications should be carried out using a manual list of applicants. The checks will involve the amount of care provided and the cost of the care. The process will also include checking that the childcare has been provided for the whole period for which the student has received a Childcare Grant and that the student has not received a Childcare Grant for a period when they have not paid for childcare or for a period covered by a free early learning place (refer to the 'Childcare Grant Application Form'). The Department expects LAs/SFW to pursue any application upon which there is a doubt about its veracity.

60. In carrying out the sample check, LAs/SFW will wish to confirm with the relevant body that the childcare provider detailed on the 'Childcare Grant Application Form' and 'Confirmation of Childcare Payments' is registered or approved. Ofsted took over the registration of new providers and the regulation of existing providers from 1 September 2001. In carrying out their sample checks, LAs/SFW should contact their local Children's Information Services (CIS) in the first instance to check the registration status of a childcare provider. Ofsted supply CIS with updated information on childcare providers on a daily basis. This will enable CIS to maintain an up-to-date list of registered childcare providers and their registration status, i.e. whether their registration status is current, cancelled or suspended. In Wales the regulation of Childcare Services is the responsibility of Care and Social Services Inspectorate Wales (CSSIW).
61. When information is not easily forthcoming from CIS, or where there is concern or doubt about a provider's registration that the CIS cannot answer, LAs/SFW could contact the relevant Ofsted regional centre by calling the national help line on 0845 640 4040. The call will be automatically diverted to the closest regional centre

Amounts of Childcare Grant

62. The Childcare Grant pays 85% of the actual cost of registered or approved childcare throughout the academic year, i.e. during term time, short vacations and the longest vacation. The maximum amounts of Childcare Grant payable are as follows.
- For one dependent child, 85% of the actual cost of registered or approved childcare, paying up to a maximum grant of £161.50 per week (i.e. a maximum of 85% of £190 actual childcare costs). The maximum annual Childcare Grant for a student with one dependent child using childcare for the whole year is £8,398.
 - For two or more dependent children, 85% of the actual cost of registered or approved childcare, paying up to a maximum grant of £274.55 per week (i.e. a maximum of 85% of £323 actual childcare costs). The maximum annual Childcare Grant for a student with two or more dependent children using childcare for the whole year is £14,276.60.

However, from AY 2014/15, where the student does not provide details of a specific registered or approved childcare provider, the amount of childcare grant is limited to a maximum of £115 per week, or 85% of actual costs, whichever is less (regulation 32(7)). Once a childcare provider has been identified, the Childcare Grant entitlement should be reassessed using the appropriate maximum amount for one or more children.

63. The Childcare Grant pays 85% of actual childcare costs, but the amount of weekly Childcare Grant paid cannot exceed £161.50 per week for one child or £274.55 per week for two or more children. For example:

Number of children in prescribed childcare	Total weekly cost of childcare	Total amount of Childcare Grant per week
Student A – 1 child	£90	£76.50 (85% of actual childcare costs)
Student B – 1 child	£200	£161.50 (as the Childcare Grant pays 85% of actual costs of up to £190 per week)

Number of children in prescribed childcare	Total weekly cost of childcare	Total amount of Childcare Grant per week
Student C – 2 children	£120	£102 (85% of the actual childcare costs)
Student D – 2 children	£350	£274.55 (as the Childcare Grant pays 85% of actual costs of up to £323 per week)

Maximum Childcare Grant in the first and final week of the academic year

64. A student's entitlement to Childcare Grant is calculated on a weekly basis. A week begins on a Monday and ends on a Sunday. This reflects the requirements of regulation 32(6)(a). If a student claims a Childcare Grant in respect of a week that falls partly within and partly outside an academic year, the maximum grant payable is calculated by multiplying the weekly cap (£161.50 or £274.55 as appropriate) by the number of days of that week falling within the academic year and dividing by seven (regulation 32(6)(b)).
65. This means that if the student's academic year starts in the autumn and they claim a Childcare Grant in respect of the period from Thursday 11 September to Sunday 14 September 2014, the maximum grant payable is £92.28 for one child or £156.88 for two or more children. If the student claims a Childcare Grant in respect of the period from Monday 1 September to Friday 5 September 2012, the maximum grant payable is £115.36 for one child or £196.11 for two or more children.
66. Students continue to receive 85% of their actual childcare costs during the first and final week of the academic year - to the maximum amounts stated above. LAs/SFW should note that there is no requirement to pro rata the maximum Childcare Grant payable in other weeks of the academic year even if a student uses childcare for part of a week.

Childcare Grants and retainer fees paid to childcare providers

67. Some childcare providers request a retainer fee to be paid by the student to retain a childcare place for the following term or academic year, even if the student is not using childcare for the period. As a retainer fee is part of childcare costs, the Childcare Grant may be used to pay for retainer fees charged by childcare providers. Childcare providers usually include the cost of meals they provide in their overall childcare cost. If a childcare provider makes a separate charge for the meals they provide during the periods of childcare, these may be paid as part of the Childcare Grant.

Assessing Childcare Grants where the student's partner is an eligible student

68. The amount of Childcare Grant is reduced by one half if the eligible student's partner is an eligible student (qualifies for support for a designated course) or holds a statutory award (see definition of statutory award) and account has been taken of the partner's dependants when calculating the partner's support or statutory award (regulation 34(9)).

Periods covered by the Childcare Grant

69. The Childcare Grant can be paid from the first day of the academic year, provided that the student, whether a first year student or a continuing student, incurs childcare costs for the period from the beginning of the

academic year. An illustrative example of the payments of the Childcare Grant over the academic year is shown in the following table. In this example the first day of term is taken to be 1 October and assumes the student pays for childcare every week during the academic year.

1 September 2014 – 5 July 2015	6 July 2015 – 31 August 2015 (long vacation)
85% of childcare costs for 44 weeks	85% of childcare costs for 8 weeks

70. The example above is based on a student claiming Childcare Grant for the long vacation and whose academic year begins on 1 September 2014. The Childcare Grant payments start on 1 September even though the first day of term one is 1 October 2014. The Childcare Grant in respect of the months of July and August 2015 is paid in advance with the third instalment of support. The grant for childcare costs incurred in September 2015 is paid in arrears with the first instalment of support in the following academic year.

Childcare Grant for final year students

71. The Childcare Grant is not payable to final year students for the period between the end of the course and the end of the academic year in which the course ends (regulation 32(5)). An illustrative example of the Childcare Grant payments to final year students over the academic year is shown in the table below. In this example the first day of term is taken to be 1 October 2014 and the final term of the course ends on 27 Jun 2015. The illustration assumes the student pays for childcare each week in the period given.

1 September 2014 – 27 Jun 2015
85% of weekly childcare costs for each week childcare is used

Students who have a partner with income

72. Some students with a partner in receipt of income may still receive a Childcare Grant but this depends upon the number of dependent children, the cost of the childcare, and the number of weeks that the childcare is used, as well as the level of the income of the partner (if treated as a dependant under regulation 35(1)).
73. The following table gives the income threshold under the dependants' grant means test for receiving £1 of Childcare Grant for students with a partner who has an income. The calculation is based on the assumption that the student is incurring the maximum childcare costs and using registered or approved childcare for 52 weeks. For students with lower childcare costs, and those using childcare for part of the year, a separate calculation should be carried out.

Number of dependent children	Maximum level of partner's income
One child	£11,870 per annum
Two children	£18,907 per annum

It should be noted that the maximum levels of income given above would in both cases pay £1 of Childcare Grant and the full PLA of £1,557. Income that exceeds the maximum levels given above reduces the amount of PLA £ for £.

Childcare Grant, early years education and free childcare

74. Students cannot receive Childcare Grant for any childcare that is provided free of charge and when applying should only include childcare for which they have to pay a childcare provider.
75. Additionally, all three and four year olds have been able to access a free, part-time early learning place since April 2004. Data from the January 2007 census confirmed that around 96% of three year olds and virtually all four year olds are now benefiting from some form of free provision. The free minimum entitlement consists of twelve and a half hours per week of early learning over 38 weeks a year. From September 2010 the free entitlement was increased to 15 hours a week for 38 weeks of the year, and access was made more flexible. Parents may arrange the early learning place entitlement to suit the needs of their children depending on the ability of the provider to deliver.
76. Local Authorities will provide funding to the early learning providers to enable them to make free places available to eligible children. Therefore, our advice is that the higher education Childcare Grant cannot be paid for a period covered by a free early learning place. The Code of Practice on the provision of free nursery education places for three and four year olds makes clear that early learning place providers should not charge parents up-front for an early learning place to be refunded at a later date.
77. However, providers can charge for services provided outside of the free entitlement – this is a private matter between parents and providers. These services usually take place before and/or after the early learning place and is sometimes referred to as wrap around or out of school care. The Childcare Grant may be paid to cover the cost of childcare charged to the student as long as the provider is registered or approved. Students should only include it in their applications for childcare for which they have to pay a childcare provider. If they include a free early learning place in their application, providers will be unable to confirm that the student has made payments.

Childcare Grant, Child Tax Credit and the Childcare Element of Working Tax credits / Universal Credit

78. Child Tax Credit (CTC) is administered by Her Majesty's Revenue & Customs (HMRC) and provides income related support for families with children. If a student receives CTC, this does not affect their entitlement to the Childcare Grant.
79. Working Tax Credit (WTC) / Universal Credit (UC) tops up the earnings of low paid working people whether or not they have children, and is made up of several elements, for example a disability element, a childcare element (i.e. the childcare element of Working Tax Credit) etc. A student cannot receive Childcare Grant at the same time as receiving the childcare element of Working Tax Credit. (Other elements of WTC / UC do not preclude a student from claiming Childcare Grant.)
80. The childcare element of WTC / UC can meet up to 70% of the cost of registered or approved childcare up to a maximum cost of £175 a week for families who pay childcare for one child and £300 a week for families who pay childcare for two children or more. The maximum amount of childcare element of WTC / UC someone could have is £140 a week for one child or £240 a week for two or more children, although the actual amount a family receives in childcare element of WTC / UC is subject to the family's gross income.

81. Students who satisfy the entitlement rules for the childcare element of WTC / UC can choose either to claim the childcare element of WTC / UC or the Childcare Grant. They cannot claim the WTC / UC childcare element if they or their partner are also receiving the Childcare Grant.
82. Similarly regulation 32(3) of The Education (Student Support) (Wales) Regulations 2013 provides that an eligible student shall not be eligible for a Childcare Grant if the eligible student or their partner has elected to receive the childcare element of the WTC / UC. This provision reflects the policy intention that an eligible student should not receive childcare support from the Childcare Grant and the WTC / UC childcare element at the same time.
83. If a student indicates that they or their spouse/partner are in receipt of an award from the WTC / UC and applies for a Childcare Grant under the Student Support Regulations, evidence must be requested to confirm that the eligible student's or their partner's WTC / UC award does not include the childcare element of WTC / UC. The eligible student should be asked to produce a WTC / UC award notification that should indicate if the student or their partner is in receipt of the childcare element of WTC / UC. If the student or partner is not in receipt of the childcare element of WTC / UC there will be no mention of it in the WTC / UC award notice. This information should also help LAs/SFW determine the start/termination dates for Childcare Grant payments.
84. It is possible that a student or their partner's circumstances may change resulting in a request to receive the Childcare Grant instead of the childcare element of WTC / UC or vice versa. There is no statutory bar within the Student Support Regulations or the Tax Credit Act preventing a student from changing the source of their childcare support. If they are receiving the WTC / UC childcare element and they wish to change over to the Childcare Grant they should notify the Tax Credit Office and give the date when they want the payment of the childcare element of WTC / UC to cease. This should be the day before the Childcare Grant comes into payment. Parents will be issued with a new awards notice which can be used as evidence that the WTC / UC award no longer includes the childcare element of WTC / UC.
85. A declaration from the student confirming that the student or their spouse/partner is no longer in receipt of childcare support through WTC should be accepted in order to prevent unnecessary delays in payment of the Childcare Grant, but must be subsequently confirmed. Students may be assessed for a Childcare Grant from the first day after their last payment for childcare under the WTC / UC.
86. For more information on tax credits:
 - visit <http://www.hmrc.gov.uk/individuals/tmatax-credits.shtml>;
 - call the Tax Credits Helpline (telephone 0345 300 3900); or
 - call the nearest HMRC Enquiry Centre (listed under 'HM Revenue & Customs' in the telephone directory).

Childcare Grants and students on work placements

87. Students are generally not eligible for a Childcare Grant in any academic year in which the periods of full-time study are in aggregate less than 10 weeks and where they are on a paid/unpaid placement for the rest of the year (regulation 28(7)). Some exceptions, set out in regulation 28(8), may apply. Students on work placements whose periods of full-time study in the academic year are 10 weeks or more may receive a Childcare Grant.

Childcare Grant applications from students studying at an overseas institution

88. Students attending an overseas institution as part of their courses will not generally be eligible for a Childcare Grant to cover childcare costs incurred abroad. The only qualifying overseas childcare providers are those approved under a Ministry of Defence accreditation scheme to approve providers who care for the children of personnel based overseas. Students requesting support for childcare provided abroad should be referred to their institution's Financial Contingency Fund.

Parents' Learning Allowance (regulation 33)

89. A Parents' Learning Allowance (PLA) of up to **£1557**, subject to income assessment, is available to students with one or more dependent children regardless of the age of the children. It is income assessed and can be paid whether or not student parents use registered or approved childcare.
90. The PLA is intended to cover some of the additional costs incurred by students with dependent children, such as higher travel costs, and books and equipment needed for the course. Students do not have to be using registered or approved childcare to be eligible for the Parents' Learning Allowance. PLA is not treated as income when students are assessed for income-related benefits, including Housing Benefit.
91. There is no requirement for a student to apply separately for the PLA. Provided they have indicated on their application that they have dependent children, there is no requirement for them to make any separate request to receive this grant (see also paragraph 95)
92. Subject to an assessment of income, the PLA will be paid to:
- Full-time students with dependent children who are assessed to receive at least £1 of Childcare Grant and/or £1 of Adult Dependants' Grant. Such students are entitled to receive the full amount of PLA (**£1,557**);
 - Full-time students with dependent children who are eligible in principle for the Adult Dependants' Grant and/or the Childcare Grant but are not entitled to receive any payments of those grants because the income of their dependants is sufficiently high to offset them. After applying the dependants' income (as specified in paragraph 100 below) against the Adult Dependants' Grant and the Childcare Grant, any remaining income is set against the PLA on a £ for £ basis;
 - Full-time students with dependent children who have no adult dependants and are not eligible for the Childcare Grant because they are not using registered or approved childcare. Dependants' income (as specified in paragraph 100 below) is set against the PLA on a £ for £ basis after applying the appropriate threshold.
93. If the aggregate amount of PLA determined is between £1 and £49 then the student will be entitled to a minimum amount of PLA payable of £50 (regulation 34(10)).
94. Where the eligible student has a partner who is also an eligible student and a dependent child who is wholly or mainly financially dependent on the student and their partner together, the student and the partner may each receive the amount of PLA due after the application of the dependants' grant income assessment. The PLA entitlement should not be divided between the eligible students.

The dependants' grant income assessment

Assessment of dependants' income

95. The system uses information provided by the student on their application to determine the amount of Adult Dependants' Grant and Parents' Learning Allowance due. The system also displays a message to the LA/SFW assessor prompting them to check the system calculation and amend if necessary.
96. To determine a student's eligibility for dependants' grants (Adult Dependants' Grant, Childcare Grant and Parents' Learning Allowance) it is necessary to calculate the dependants' income. From AY 2014/15, income of partners and adult dependants used in the dependants' grants income assessment is the gross taxable income from all sources for the prior financial year, minus certain allowable disregards. For child dependants the net income in the prior financial year is used. Estimates of net income (regulation 35(7)) in the current academic year are no longer used in the dependants' grant income assessment. (However, they are still used where adult or child dependency is being established.) This change applies to all new and continuing students who apply for dependants' grants in AY 2014/15 or later.
97. To ensure that students are not disadvantaged where income has fallen since the prior financial year, partners and/or dependants whose income in the current financial year (i.e. the financial year which begins immediately before the start of the current academic year) has fallen by **15%** or more will be able to request that dependants' grants are assessed on an estimate of income for the current financial year instead.
98. Where the student receives maintenance payments under an agreement that expressly or implicitly requires that these payments are to be applied for the benefit of the student's child, this income should be treated as the child's income and taken into account in the dependants' grant income assessment. This might include maintenance payments received by the student under a court order, through the CSA or by way of a voluntary agreement.

Treatment of financial obligations incurred before the start of the course (regulation 35(8))

99. Regulation 35(8) allows recurrent payments made by the student or the student's partner in respect of obligations incurred by the student before the start of the course to be deducted from the partner's income where such obligations were 'reasonably incurred', which is for the LA/SFW to decide. They might include payments made under insurance policies, such as household insurance, contents insurance, medical insurance and life insurance, payments under a mortgage agreement (mortgage payments and mortgage endowments), council tax payments, rent payments, repayments under a loan agreement, such as a Building Society home improvement loan and obligatory maintenance payments. However, LAs/SFW have the discretion to decide which types of recurrent payment to deduct, and this list is not binding but intended purely as a guideline as to what might be regarded as permissible items. If a LA/SFW considers that a lesser obligation could reasonably have been incurred in the circumstances, a correspondingly lesser sum may be disregarded. Where a partner is making payments in respect of an obligation for which payments are shared by the partner and the student, the full obligation (i.e. the amount being incurred by the student and the amount being incurred by the partner) should be taken into account.

Applying the dependants' income

100. The dependants' aggregated income for the prior tax year less one of the following applicable thresholds (regulation 34(2)):
- **£1,159** for a student with no dependent children;
 - **£3,473** for a couple with one child;
 - **£4,632** for a couple with two or more children;
 - **£4,632** for a lone parent with one child;
 - **£5,797** for a lone parent with two or more children;
- reduces the student's entitlement to dependants' grants where applicable £ for £ in the following order (regulation 31(1)):
1. Adult Dependants' Grant;
 2. Childcare Grant; and
 3. Parents' Learning Allowance.
101. The dependants' aggregated income less the applicable threshold is first applied to the Adult Dependants' Grant (if applicable). Any remaining income is then applied to the Childcare Grant (if applicable) and any remaining income is then applied to the PLA (if applicable). If the income (less the relevant threshold applied) exceeds or equals the aggregate of the basic amounts of the grants for dependants, the amount payable for grants for dependants is nil (regulation 34(7)).
102. Regulation 34(10) provides that once the contribution has been applied, if the amount of PLA for which the student is eligible is between £1 and £49 the student will be entitled to a PLA of £50.

Example 1

A student has a spouse/civil partner with income of £3,070 and two children under 15 with net income of £1,125 each. The childcare costs are £150 per week for the whole of the academic year.

Step 1: Establish dependants' income.

Dependants	Income
Spouse/Civil Partner	£3,070
Child 1	£1,125
Child 2	£1,125
A. Total dependants' income	£5,320

Step 2: Choose the threshold which applies to the student's circumstances (regulation 34(2)).

Student's circumstances	Applicable threshold
B. 2 parents and 2 children	£4,632

Step 3: Calculate the dependants' residual income

A. Total dependants' income	£5,320
B. Applicable threshold	£4,632
Dependants' income (A - B)	£688

Step 4: Add together all the dependants' grants the student may be eligible to receive.

Grant	Amount
Adult Dependants' Grant	£2,732
Childcare Grant (85% of actual costs - 52 x £127.50)	£6,630
PLA	£1,557
Total	£10,919

Step 5: Calculate the amounts of dependants' grants to be paid

A. Total dependants' grants	£10,919
B. Dependants' income	£688
Amount of dependants' grant to be paid (A – B)	£10,231

Step 6: Breakdown of individual dependants' grants to be paid.

Grant	Amount
Adult Dependants' Grant (full grant reduced by contribution of £688)	£2,044
Childcare Grant (85% of actual costs - 52 x £127.50)	£6,630
PLA	£1,557
Total dependants' grant paid	£10,231

Example 2

A student has a spouse/civil partner with income of **£11,018** and one child. The student uses **registered or approved** childcare for 40 weeks and the actual costs are £100 per week.

Step 1: Establish dependants' income.

Dependants	Income
Spouse/Civil Partner	£11,018
A. Total dependants' income	£11,018

Step 2: Choose the threshold which applies to the student's circumstances (regulation 34(2)).

Student's circumstances	Applicable threshold
B. 2 parents and 1 child	£3,473

Step 3: Calculate the dependants' residual income.

A. Total dependants' income	£11,018
B. Applicable threshold	£3,473
Dependants' income (A -B)	£7,545

Step 4: Add together all the dependants' grants the student may be eligible to receive.

Grant	Amount
Adult Dependants' Grant	£2,732
Childcare Grant (85% of actual costs - 40 x £85)	£3,400
PLA	£1,557
Total	£7,689

Step 5: Calculate the amounts of dependants' grants to be paid.

A. Total dependants' grants	£7,689
B. Dependants' income	£7,545
Amount of dependants' grant to be paid (A – B)	£144

Step 6: Breakdown of individual dependants' grants to be paid.

Grant	Amount
Adult Dependants' Grant	Nil
Childcare Grant (85% of actual costs (52 x £127.50))	Nil
PLA	£144
Total dependants' grant paid	£144

103. The total of the dependants' grant under regulations 31-33 is subject to the main income assessment. This means that any student contribution or household contribution is applied to the dependants' grants.

Payment of grants for dependants

104. Regulations 70 and 73 provide for payments of maintenance loan and grant for living costs to be made for periods of the year other than quarters.
105. Dependants' grants are paid in three instalments, each instalment being paid in the three quarters of the academic year that do not include the longest vacation. Where the first instalment of grant is paid in the first quarter of an academic year, the grant is payable in three instalments of 33% for the first quarter, 33% for the second quarter and 34% for the third quarter. Where the first instalment of grant is paid in the second quarter, it is paid in two instalments of 66% and 34% and where the first instalment is paid in the third quarter, the whole amount of grant for the academic year is paid in one instalment.

The number of dependants changes in an academic year

106. The number of a student's dependants may change during an academic year. When this occurs, the LA is responsible for determining who the student's dependants are for each of the three quarters for which the grant is payable (regulation 34(12)). The dependants' grants should be reassessed on a pro rata basis from the date the number of dependants changes.
107. The amount of grant for each quarter so determined is one third of the grant for the academic year, bearing in mind the 33%, 33%, 34% split described above. The amount of dependants' grant for the academic year is the aggregate of the amount of grant calculated for each of the three quarters (regulation 34(13)).

Administration

Administering Childcare Grant applications

108. LAs/SFW should also refer to the guidance chapter 'Change of Circumstances' which provides guidance on reassessments and stopping payments.
109. LAs/SFW need to assess an applicant's eligibility and entitlement to the Childcare Grant. The Childcare Grant and the PLA are paid to the most vulnerable students and therefore assessments should be carried out as early as possible to ensure that support is paid to the student on the first day of term.

Processing Childcare Grant applications

110. The system now has the facility to calculate the amount of Childcare Grant to which a student is entitled. Using the information on the CCG1 form, the LA/SFW enters the weekly childcare costs for term-time weeks and non term-time weeks, along with any exceptions to these standard amounts on the Childcare Estimates screen. The system will first apply a pro-rata to any amounts falling in non Monday to Sunday weeks (normally this will be for the first and last weeks of the academic year). Where amounts are entered in the 'Exceptions' section, no pro rata is applied. The system will then apply the 85% calculation. The LA/SFW still has the facility to override the automatic assessment of Childcare Grant if it is deemed appropriate. Any manual override of the automatic Childcare Grant assessment should be fully explained on the system Notes facility to assist other staff when dealing with student enquiries.
111. If the student receives a Childcare Grant the assessment should be provisional until all of the student's childcare costs for the academic year have been evidenced and their entitlement checked accordingly. At that point the entitlement may be finalised. This may only be possible at the start of the next academic year if childcare is required for the long vacation.
112. LAs/SFW should also consult the guidance chapter 'Change of Circumstances'. LA/SFW assessors should indicate that the assessment is provisional in one of two ways:
 - by selecting the Provisional flag on the Validate Evidence screen; or
 - in SFA or SC cases, by selecting the Childcare Grant drop-down menu at the bottom of the screen and selecting the 'provisional' option.
113. Where the LA/SFW assessor chooses to enter a manual override of the Childcare Grant they should use the system Notes facility to detail the basis of the calculation or reasons for the override. This should assist other LA/SFW staff and SLC Customer Services Officers when dealing with any student enquiries.
114. Annex 1 includes a summary timetable showing what actions LAs/SFW should take during the course of the academic year.

Informing students of the breakdown of dependants' grants

115. The financial notification letter produced under the single system details the breakdown of the various elements of the grants for dependants. Students should be advised to show the financial notification letter to their institutions when applying for discretionary support from the Financial Contingency Fund and to Job Centre Plus and/or the local authority Housing Benefit section if applying for income related benefits.

Childcare Grant leaflets and forms

116. LAs will be sent supplies of the new booklet entitled 'Childcare Grant and other support for student parents in higher education 2014/15' and the forms 'Application for help with childcare costs' (CCG1) and 'Confirmation of childcare payments' (CCG2). Where a student indicates on the online application or PN1 / PR1 forms that they would like information on receiving the Childcare Grant, the LA user should raise a task 'Send Information Pack'. This task is to be dealt with by the LA. The information pack should be sent to the student for them to complete and return to the LA.

Form 'Application for help with childcare costs'

117. The student should apply for a Childcare Grant by completing a form 'Application for help with childcare costs' (CCG1) and send it to their LA/SFW. The applicant may provide an estimate of their likely childcare costs on their application form given that they are unlikely to be aware of their childcare requirements at the time of application. The applicant should be assessed on the basis of the estimated childcare costs provided on the CCG1.

Confirmation that a childcare provider is registered or approved

118. Childcare providers are asked to complete Section 2 of the CCG1 confirming they are either a registered or approved provider. However, if a student has not found a childcare provider at the time of their application, Section 2 of the CCG1 may be left blank and a Childcare Grant may still be paid. The student will need to provide confirmation they are using a registered or approved childcare provider when they provide confirmation of their payments made to a childcare provider in the middle of term 1, using the form 'Confirmation of childcare payments' (CCG2). On receipt of this form, the LA will need to assess whether they need to complete a reassessment of grant for the applicant.

Student does not return form 'Application for help with childcare costs'

119. If a student does not return the CCG1, but has a dependent child, the LA should assess the student's entitlement to the PLA grant. If the applicant subsequently sends a CCG1 or completes an online or paper Change of Circumstance to indicate that they wish to apply for CCG at least three months before the end of the academic year the LA/SFW will need to carry out and send a revised assessment.

Students who return form 'Application for help with childcare costs'

120. Where LAs/SFW receive a CCG1, they should consider the student's entitlement for the PLA and Childcare Grant. The LAs/SFW should base their

assessments on the amounts the applicant has stated on the childcare application form, subject to the limits set out in the Student Support Regulations.

Confirmation of payments made to a childcare provider

121. Students are requested to provide evidence of payments made to their childcare provider on a termly basis, using form CCG2. Students are required to complete Section 1 of the form and then arrange for their childcare provider to complete Sections 2 and 3, confirming the payments received from the student each week during the period. Applicants must send a separate CCG2 to their LA/SFW by each of the following dates, if the course started in September:

- **31 October 2014** – this form should confirm payments made each week between **1 September 2014 and 19 October 2014**.
- **31 January 2015** – this form should confirm payments made each week between **20 October 2014 and 18 January 2015**.
- **11 September 2015** - this form should confirm payments made each week between **19 January 2015 and 31 August 2015**. It is recommended that students in the final year of their courses and students not using childcare during their long vacations are requested to return their CCG2 by **17 July 2015**.

Applicants must send the separate CCG2 to their LA/SLC by each of the following dates if the course started in January:

- **13 March 2015** – this form should confirm payments made each week between **1 January 2015 and 1 March 2015**.
- **12 June 2015** – this form should confirm payments made each week between **2 March 2015 and 31 May 2015**.
- **15 January 2016** – this form should confirm payments made each week between **1 June 2015 and 31 December 2015**.

122. If the applicant indicates in Section 4 of the CCG2 that their weekly childcare costs will change during the rest of the year, the LA/SFW should reassess the applicant's entitlement, and include the estimated childcare costs for the long vacation in the third instalment of grant. The applicant will need to confirm these costs at the beginning of the following academic year. If the applicant is uncertain whether they will need childcare for the long vacation, the LA/SFW can carry out a reassessment to include the long holiday period at a later date. If the reassessment is completed after the third instalment, the SLC will make an additional payment for the extra amount to the applicant via BACS, automatically.

Monitoring returns of 'Confirmation of childcare costs' forms

123. Currently, there is no facility (other than Notes) on the system to indicate that the Childcare Grant is provisional pending receipt of a completed (CCG2) for Term 1, Term 2 and Term 3 and the long vacation. The system is able to provide a list of students in receipt of Childcare Grants. LAs/SFW should use the Notes facility on the single system to record when reminders are sent out. This will assist LAs/SFW and SLC Customer Service Officers when dealing with student enquiries. There is also no suite of Childcare Grant letters on the single system although this is being reviewed for future years. Instead LAs should continue to produce locally prepared letters, updating student support system records to show where this has been done. Suggested text is provided at Annex 2.

Student does not send confirmation of registered or approved childcare

124. Most students include details of their childcare provider at the time of their Childcare Grant application. However if the student does not include details of their childcare provider on their application form and then does not provide confirmation of the registered or approved childcare being used on the CCG2 form confirming childcare payments for their first term, the LA/SFW should send a reminder letter to the applicant. If the LA/SFW does not receive confirmation, the LA/SFW should reassess the applicant's entitlement to support as necessary, removing the Childcare Grant (payment of the PLA should continue). If the LA/SFW cannot complete this reassessment by the middle of December then they should stop all future payments of grant. The LA/SFW should then carry out a revised financial assessment showing the amount of maintenance loan and grant that the LA/SFW knows that the applicant is entitled to and send this to the applicant and the SLC. This reassessment should be completed as soon as possible so that the student continues to receive any other payment of grant they are entitled to. The SLC will then deduct the amount of grant the applicant has already received from the amount of grant shown on the latest assessment and pay the outstanding amount in two payments. If a student then provides confirmation of their childcare provision, LAs/SFW have the discretion to reinstate the Childcare Grant, depending on the student's reasons for failing to produce the evidence by the original deadline.

Student does not send confirmation of childcare payments

125. Students should send evidence of payments made to a childcare provider on form CCG2 by each of the dates in paragraph 130 above. LAs/SFW should consider sending reminder letters to student in advance of these dates (see Annex 2). The dates for confirming childcare payments have been selected to allow LAs/SFW time to make any adjustments to the next Childcare Grant instalment if the student has under or overestimated their childcare costs at the beginning of the year. There is also a greater incentive for students to return their form by the required dates given that their next Childcare Grant instalment will not be paid unless a completed CCG2 has been returned to the LA/SFW.
126. If a student has not returned their form CCG2 by the required dates, LAs should send a reminder letter advising that if the form is not received the student will lose their Childcare Grant and arrangements will be made to recover the Childcare Grant monies already paid (see Annex 2). If the applicant fails to confirm their childcare payments, the LA/SFW should reassess their entitlement to support as necessary, removing the Childcare Grant. However payment of ADG and PLA may continue once the Childcare Grant has been removed. (Any contribution previously applied to the Childcare Grant will now reduce the PLA). A revised and finalised assessment should be sent as soon as possible so that the student can continue to receive any other payments of grant they are entitled to. LAs should take account of specific applicants' circumstances in deciding whether to remove the Childcare Grant entitlement if evidence is not received. If a student then provides confirmation of their childcare costs, LAs/SFW have the discretion to reinstate the Childcare Grant, depending on the student's reasons for failing to produce the evidence by the original deadline.

Finalising assessments in 2014/15

Students not in receipt of a Childcare Grant during their longest vacation

127. Once a student has confirmed their actual childcare costs for the final term of academic year 2014/15 and indicated they will not require a Childcare Grant for their longest vacation, the student should be reassessed and a revised support notification sent for 2014/15 to show that the assessment is now final.

Students in receipt of a Childcare Grant during the longest vacation

128. Most academic years begin on 1 September and the longest vacation is the summer vacation. Childcare Grants for the longest vacation are paid up until 31 August, the payment covering the months of July and August. Childcare Grants in respect of September are paid with the first instalment of the following academic year's Childcare Grant.
129. If a student receives a Childcare Grant for the longest vacation they need to confirm their actual childcare costs by 11 September 2015, just after the start of the 2015/16 academic year.

Students who have not confirmed final childcare costs for 2013/14

130. Where an LA/SFW receives a Childcare Grant application for 2014/15 and the student has not yet confirmed his/her childcare costs for the longest vacation in 2013/14, this should not delay or prevent assessments for 2014/15. Therefore, LAs/SFW should not wait for confirmation of the long vacation childcare costs for 2013/14 before assessing Childcare Grant applications for 2014/15 but are advised to:
- assess the student for a Childcare Grant in 2014/15 and issue a Student Financial Notification; and
 - reassess the support on receipt of confirmed childcare costs for the longest vacation (up to 31 August 2014) and issue a final Student Financial Notification for 2013/14 showing the revised amount of dependants' grants.
131. The Student Financial Notification for 2014/15 should include the amount of Childcare Grant for 2014/15 not taking into account any overpayment incurred during 2013/14.

Underpayments and overpayments of Childcare Grants

132. SLC will identify any overpayments from the revised 2013/14 notifications and deduct the overpayment from the 2014/15 grants if the student is continuing on the same course. If the student is not continuing on the same course, SLC will make separate arrangement for collection of the overpayment. If a student's Childcare Grant has been underpaid in 2013/14, the SLC will pay the outstanding amount. If the SLC receive a reassessment after the third instalment has been paid, the balance will be made to the student as opposed to adding the outstanding balance onto the following year's grant.

LETTERS FOR STUDENTS

Dear

CHILDCARE 2014/15

Thank you for your recent request for further information on the extra support available for student parents who have to pay for childcare.

I am enclosing the publication 'Childcare Grant and Other Support for Student Parents in 2014/15', together with form CCG1 - 'Application for Help with Childcare Costs 2014/15' and 3 CCG2 forms - Confirmation of Childcare Payments 2013/14.

In order for me to determine your entitlement please do the following:-

- 1) Complete section 1 of form CCG1 with estimates of your weekly childcare costs for the period 01/09/2014 to 31/08/2015.

IT IS IMPORTANT THAT YOU DO NOT OVERESTIMATE AS THIS WILL RESULT IN YOU HAVING TO REPAY SOME OF THE CHILDCARE GRANT PAID TO YOU.

- 2) Make sure you sign the declaration on page 5 of the form.
- 3) Take the form to your childcare provider and ask them to complete section 2. If you have not arranged a childcare provider at this stage please leave section 2 blank.
- 4) Return the form to this office and, **if you have not already done so**, you should enclose your child(ren)'s birth certificate(s) and a copy of the most recent Child Tax Credit or Working Tax Credit notification which you would have received from HM Revenue and Customs.
Failure to send these documents may result in your payments being delayed.
- 5) Complete and return form CCA. We need this form as it is an ongoing responsibility of the Local Authority to detect and prevent fraud so we may need to contact your childcare provider or HMRC to check your figures.

We will use the estimated figures on form CCG1 to assess your provisional childcare grant entitlement and we will send you a notification of the amounts and dates of the instalments.

Then, 3 times during the academic year, **on the dates specified on page 1 of form CCG2**, you should:-

- 1) Complete sections 1 and 2 of form CCG2.
- 2) Pass the form to your childcare provider who should complete sections 3 and 4 to confirm the amounts which they have actually received from you up to the relevant date.
- 3) If it was not provided on form CCG1, we will also require, on this form, confirmation that you are using a childcare provider who is registered or approved by an accredited organization.
- 4) Return form CCG2 to this office no later than the dates on the front of that form. **Failure to return the form will affect payment of future instalments of your childcare grant.**

If the completed CCG2s show differences between the estimated and actual amounts we will send you a notification of the revised amounts and make adjustments to future instalments.

Finally, you must notify us of any change in your childcare costs for any reason.

Please contact the undersigned if you have any queries.

Yours sincerely

Re: Childcare & Dependants Grants 2014/15 Academic Year

Thank you for submitting form CCG1 to enable us to estimate your childcare grant for the current academic year.

Please find below a breakdown of your *provisional* grants for 2014/2015, including your childcare entitlement based on the details you have submitted to date:-

Childcare Grant*		£
Parents Learning Allowance	-	£
H E Grant		£
Total		£

*as these grants depend on income this is a maximum of 85% of the estimated amount shown on form CCG1

You will shortly receive an updated schedule of payments confirming the amount of grant for childcare you are to be paid each term.

As this assessment is based on an estimate it is essential that you provide me with certification of the actual costs incurred each term. You must therefore ask your childcare provider to complete a **form CCG2** three times in the academic year and return them to us no later than the dates shown below.

September starter dates**31 October 2014**

This form should confirm payments made each week between 1 September 2014 and 20 October 2014.

30 January 2015

This form should confirm payments made each week between 21 October 2014 and 19 January 2015.

17 July 2015

If this is your final year

This form should confirm payments made each week between 20 January 2015 and the last day of your summer term

OR

11 September 2015

If this is NOT your final year and you are including the costs for the summer vacation

This form should confirm payments made each week between 20 January 2015 and 31 August 2015.

January starter dates

Applicants must send the separate CCG2 to their LA/SLC by each of the following dates if the course started in January.

13 March 2015

This form should confirm payments made each week between 1 January 2015 and 1 March 2015.

12 June 2015

This form should confirm payments made each week between 2 March 2015 and 31 May 2015.

15 January 2016

This form should confirm payments made each week between 1 June 2015 and 31 December 2015.

Failure to submit a fully completed form CCG2 by the deadlines could lead to the reduction of any outstanding childcare instalments or possibly the loss of childcare provision altogether. We have already sent you 3 CCG2s for this purpose but if you require another please let me know.

I would also be grateful if you could complete and return the enclosed form CCA. We need this form as it an ongoing responsibility of the Local Authority to detect and prevent fraud so we may need to contact your childcare provider or HMRC to check your figures.

IMPORTANT NOTICE - FINANCIAL RE-ASSESSMENT

It is possible that your actual costs may vary significantly from your initial estimates and as a result it may be necessary to revise your childcare entitlement. This may result in either an underpayment or an overpayment of grant. Should you have been underpaid then your subsequent childcare grant instalments will be increased

accordingly with the possibility of you receiving additional termly payments if the original payment has already been made.

If you have been overpaid then this may have a more significant effect. An overpayment of childcare grant can be reclaimed from any subsequent grant entitlement you may have, including additional dependants' grants such as Parents' Learning Allowance and Adult Dependents' Grant as well as the Special Support Grant or Welsh Government Learning Grant.

In the first instance we will attempt to reduce your subsequent childcare grant payments by the required amount. If for whatever reason you do not have an entitlement to childcare grant the overpayment will then be offset against any other grant entitlement. If you have already received all your original termly grant payments or if it is not possible to adjust your current annual grant entitlement it might be necessary for the outstanding overpayment to be offset against your following year's grant entitlement. If, however, you have completed your studies and have no further grant entitlement then you will be contacted directly by the Student Loans Company to negotiate a means of repayment.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Principal Student Finance Officer

RE:

Miss/Mrs/Mr , parent of the above child/children is currently a full time higher education student who has applied for a grant in respect of childcare costs.

You should note that the childcare grant for Miss/Mrs/Ms/Mr for the whole of 2014/15 is £ and is based on the estimate of the weekly charges which was supplied previously.

During each term Miss/Mrs/Ms/Mr should provide you with a form CCG2 which you need to complete to confirm the actual amounts paid to you for a period specified on the front of that form.

Miss/Mrs/Ms/Mr will return the form to this office where we will compare the actual costs to the estimated costs and revise her/his entitlement if necessary.

We will advise you of any revision to their entitlement.

CCG2 FORM CONFIRMATION OF CHILDCARE COSTS

You have not returned the form CCG2 -‘Confirmation of Childcare Payments’ which we originally sent to you on **DATE** so I am sending you another copy in case you have mislaid it.

You need to complete section 1 and also section 2 of the form if the weekly childcare costs provided in your application form CCG1 -‘Application for Help with Childcare Costs’ will, or are likely to, change in the remainder of your academic year.

You should then ask your childcare provider to complete section 3 to show actual childcare payments received from you each week between **INSERT DATES** and also to complete section 4.

If the amounts you actually paid are different to the estimated amounts provided on your original application form your next payment of childcare grant will be adjusted.

You need to return the form CCG2 – ‘Confirmation of Childcare Payments’ to this office.

Your next Childcare Grant payment will not be made unless you have returned the completed form by INSERT DATE.

If your form is returned after this date, your next childcare grant payment may be delayed or, if you do not return your form at all, you will lose your childcare grant and any uncertified monies already paid to you for childcare will be recovered.

Re: Application for Childcare 2014/15

I refer to your application for a Childcare Grant and regret to inform you that you are ineligible as you are in receipt of a free place or receive reimbursement for costs of a place for a child under the Early Years Service Scheme.

Yours sincerely,
